

# AMERICAN IDOLS

## PART 1

*Where do you go for comfort and pleasure?*

## PART 2

*What kinds of entertainment do you find most addicting?*

## PART 3

*Kyle Idleman writes, "Never in the history of humanity has there been so much entertainment and so little satisfaction."*

*C.S. Lewis writes, "If I find in myself a desire that no experience in this world can ultimately satisfy, the most probable explanation is that I was made for another world...Probably earthly pleasures were never meant to satisfy it, but only to arouse it to suggest the real thing."*

1. *What idols do you have in the form of entertainment or pleasurable activities? That is, what things that will never truly satisfy are taking the place of God—the only one who can truly satisfy?*

2. *What must you do about these idols?*
